

BE IN THE KNOW

Message From Us!

December is Giving Month!

This season is a time where we get to celebrate the holidays and spend time with loved ones. Use this month as an opportunity to make a difference in someone's life by giving and serving.

"In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: 'It is more blessed to give than to receive.'"

Acts 20:35

Owner/Founder's Message

Attending the WBENC Executive Energy onsite was the most inspiring opportunity to date. **Wow!** Being in the room with so many **BRILLIANT WOMEN** was such an inspiration. Knowing that Construction Service Workers was specifically chosen for this energy opportunity, I have no words thinking of how this will benefit so many people with career opportunities.

Keisha Garcia is the first African American woman Senior Vice President at BP with the Technology Department. It was a pleasure meeting her and so many other executives who had a true understating of **diversity and inclusion!**

Merry Christmas
