This week we will focus on Chapter 5 of
"Banking on Freedom" by Shennete
Garrett-Scott

Chapter 5: "A Good, Strong, Hustling
Woman"

What factors pushed Black Women to
emigrate from rural areas? What
factors attracted them to cities in the
South, North, and Midwest in the 1910's?

Discuss the possibilities and perils Black
Wall Streets faced. How did Black
entrepreneurs take advantage of racial
segregation? How did segregation
adversely affect Black enterprises?

Excerpt from **Juneteenth** **Written by Rebecca Dupas**

Freedom and allyship come in stages
Juneteenth awareness is about truth and
reconciliation
about looking forward to reclaim our time, our
history, and our greatness
to grab hold of the beautiful future
that awaits us
Because though barriers still exist
we come more equipped!
we stand on the shoulders of warrior women
we show up with Harriet Tubman's courage
and Sojourner Truth's vision
We sprinkle in some of Maya Angelou's wisdom
and Michele Obama's charisma
the stamina of Fannie Lou Hamer
of Opal Lee
...this holiday's creator

Our ancestors ran the race and now we finish it
We have beauty, brains, and business acumen
And then...
Juneteenth bring us a promise for equality
So let's vow to chase our dreams
and show up as our authentic selves
EVERYDAY- without apology!

Messages from our team

Roshawn Brady, Professor

As we welcome in the December chill, our students are heating up. Stefani and Archie have successfully navigated through two presentation and public speaking opportunities with SoCal, with another on the horizon on Dec 13th. And if our smiles weren't big enough.....Archie has earned a job with a newly opened Raising Canes franchise. Go, Archie, and be sure to share those chicken tenders.

Maria, Grant Writer:

"When you learn, teach. When you get, give."

-Maya Angelou

Angeleck, Case Manager:

In honor of the holidays, I'd like to share a passage from one of my favorite holiday books

...So he paused. And the Grinch put his hand to his ear.

And he did hear a sound rising over the snow.

It started in low. Then it started to grow.

But the sound wasn't sad! Why, this sound sounded merry!

It couldn't be so! But it WAS merry! VERY!

He stared down at Whoville! The Grinch popped his eyes!

Then he shook! What he saw was a shocking surprise!

Every Who down in Whoville, the tall and the small,
Was singing! Without any presents at all!

He HADN'T stopped Christmas from coming! IT
CAME!

Somehow or other, it came just the same!
And the Grinch, with his grinch-feet ice-cold in the
snow,

Stood puzzling and puzzling: "How could it be so?"

"It came with out ribbons! It came without tags!"

"It came without packages, boxes or bags!"

And he puzzled three hours, till his puzzler was sore.

Then the Grinch thought of something he hadn't
before!

"Maybe Christmas," he thought, "doesn't come from
a store."

"Maybe Christmas...perhaps...means a little bit
more!" ...

-How The Grinch Stole Christmas
